NOTE:

Many of www.pennparts.com schematics include changes that were either made by Penn, or errors found and corrected by our parts dept.
SBT Version 080112 (based on Penn's Rev. 12 2-14-12)

CHANGES: 172-30VS Shift button was originally plastic, changed to 172N-30VS metal
25-80ST knob replaced by 25-80STM knob (matte finish?)
There were also breakdowns added of parts 170 and 112 to allow purchase of their components
